For the existing text substitute

53. The Economic and Social Council, at its first regular session of 1990, decided to include in the agenda of its first regular session of 1991 an item entitled "World social situation", for the purpose of considering, inter alia, the interim report on the world social situation and the report requested in paragraph 3 of Council resolution 1989/72. It also requested the Secretary-General, in preparing the interim report, to take into account paragraph 4 of Council resolution 1989/72, in which the Secretary-General was requested, in preparing the 1993 report, to give high priority to an analysis of the main indicators of social progress and standards of living, and to make a comprehensive analysis of the main causes and circumstances that explain negative trends in those indicators; chapters devoted to the study of specific social problems were to be related to global economic and social situations, taking into account both national and international conditions (resolution 1990/28). The interim report of the Secretary-General has been issued in document A/46/56-E/1991/6.
